TACO BELL

Common Replacement Parts For Store Level

Welcome to Heritage Food Service Equipment, Inc. We are very pleased to provide you Replacement Parts for Taco Bell Commercial Kitchen Equipment. We have developed this Customized Part's Catalog for your quick reference. The replacement parts outlined in the Catalog represent those that are normally less technical and commonly replaced at the store level. Please Note! Heritage represents ALL equipment manufacturers found in your kitchen. Should you require a part (*Technical or Simple*), not found in this catalog, call us and we will fulfill your needs quickly and efficiently.

Simply reference the respective Equipment Type and Replacement Part listed in your catalog. When speaking with your Heritage Customer Service Representative, provide them the Manufacturer Name, Model Number, and Part Number. They will quickly and efficiently process your sales order.

Contact Information

When calling Heritage, please identify yourself as a Taco Bell Store and provide us your Store Number, City and State. Or simply ask for the Taco Bell Customer Service Team at Heritage.
