RETURN GOODS POLICY AND PROCEDURES

The Distributor shall pass through to the Parts purchaser the original manufacturer's warranty.

The Distributor will not accept any returns without prior approval or consent, which shall not be unreasonably withheld (a "Return Authorization"). All returns are subject to the Parts manufacturer's return policies; we will honor returns based on the restrictions under those policies.

A Return Authorization is required for all returns and can be easily obtained by calling UFPC Parts Connection at 866.570.5893. The product must be in new, unused condition, and in its original packaging, to be accepted.

To assist in making the process easy, please have the part number, the invoice number, and the reason for returning the part before calling for your Return Authorization.

Standard Restock Fee Policy on stock parts returned within:

01 – 30 Days 0% Restocking Fee
31 – 60 Days 20% Restocking Fee
61 – 90 Days 30% Restocking Fee

No returns will be accepted beyond 90 days.

The credit for returned Parts shall be applied to the Operator's account within 15 business days upon receipt of returned Parts.

Any deviation from this procedure may result in delayed credit processing.

Authorized returns should be returned to:
UFPC Parts Connection
Return address to be advised by customer service at time of authorization

UFPC PARTS CONNECTION TERMS & CONDITIONS

UFPC Parts Connection ("UFPC PC") Terms and Conditions of Use The UFPC PC website is operated by UFPC PC. If you have any questions with respect to these terms and conditions, please direct your questions to: info@ufpcpartsconnection.com.

The mailing address for UFPC Parts Connection Office is:

UFPC Parts Connection

Shortages and Damages

The distributor shall make every effort to ensure that the operator receives and accurate and complete parts order and that such parts are received undamaged. If a discrepancy in the operator's order exists, the operator shall contact UFPC Parts Connection at (866) 570-5893 immediately and report the problem by referencing the operator's order and the discrepancy. If an operator's order is damaged, the operator must call UFPC Parts Connection at (866) 570-5893 immediately for assistance with the damage claim and to reorder parts. See further instructions under "Freight Damage Claims." To aid in the claim process, the operator should save the damaged shipment container in the condition

that the operator received it for damage claims inspection. A digital photo of the damage may be required.

Freight Damage Claims

In the event of damage, shipment damage must be noted on bill of lading. Notify the carrier, as well as UFPC Parts Connection Customer Service. All obvious package damages must be signed for as damaged with the carrier at the time of receipt. Parts **MUST** be inspected for concealed damage within 15 days of receipt.

Taxes

You are responsible for paying all applicable taxes for all hardware, software, service and other costs you may incur in accessing our servers or purchasing and/or selling products and services through the website.

Copyright and Trademark Notice

All of the content you see hear or otherwise experience in this UFPC catalog (the "Content"), including, for example, all of the page headers, images, illustrations, graphics, audio clips, video clips, and text, are subject to trademark, service mark, trade dress, copyright and/or other intellectual property rights or licenses held by UFPC, its affiliates or by third parties who have licensed their materials to UFPC. Monitoring; Correction of Errors

UFPC PC has no obligation to monitor the website or the service, but may do so for any reason in its sole discretion it may deem reasonable, including to: satisfy laws and regulations, operate the service properly or protect users. The information on the UFPC PC website may contain typographical errors or other errors or inaccuracies and may not be complete or current. UFPC PC shall have the right, but not the obligation, to correct any errors, inaccuracies or omissions and to change or update information at any time without prior notice. These efforts may include rejection of purchase offers to the extent incorrect pricing or other product information has been posted on the website. We apologize for any inconvenience this may cause you.

Warranty Returns

A completed Warranty/Defective Claim form is required for all warranty returns and can be obtained by calling UFPC Parts Connection Customer Service. Once the claim is completed and validated, a Return Authorization shall be issued for the return of the Warranty/Defective parts(s) to the Distributor. All parts must be returned within 30 days. Warranty/Defective Claims are limited to the warranty conditions as provided by our manufacturers. The Distributor shall process the Operator's warranty claim with the manufacturer of the defective Part(s) and the Distributor will issue credit for your claim once the manufacturer has accepted the claim from the Distributor. Any freight costs related to a Warranty/Defective Claim item, any replacement items and any Parts returned for warranty processing are the purchaser's responsibility. As our manufacturers require complete warranty information from the Distributor, processing of Warranty/Defective Claims will not begin until complete and accurate information is supplied to the Distributor.
